

## PnC 1000 EDU

Jatheon's PnC 1000 EDU email archiving and retention appliance is designed for moderate sized organizations. The PnC 1000 EDU offers institutions robustness with hot-swappable RAID configured hard drives and a single cold swappable power supply.

Jatheon has designed and developed Plug n Comply™, a family of appliance based email and message archiving solutions for organizations seeking full regulatory compliance, internal policy management, storage space management, and e-discovery functionality. Jatheon offers an all-in-one comprehensive, cost effective, and easy to deploy archiving appliance. It requires minimal IT support, offering simple management of messaging data and related policy implementation.

With the Jatheon Plug n Comply™ Appliance, organizations are provided with a turnkey solution to establish and enforce policies and compliance processes to meet Sarbanes-Oxley, SEC, NASD, Federal Rules of Civil Procedure, and other regulatory and corporate governance requirements.
